

ROMAN CATHOLIC  
DIOCESE OF ROCHESTER

## COVID-19

### Self-Certification Prior to School Entry Form

Prior to the start of each work shift, the Diocese of Rochester requires that all employees complete a COVID-19 self-certification. The certification must be clear and complete and submitted to Human Resources Department before an employee can start their work shift.

After reviewing an employee's self-certification, if the Diocese of Rochester believes that an employee is exhibiting COVID-19 symptoms, was exposed to COVID-19 or is unable or unwilling to self-certify, the Diocese of Rochester will ask the employee to immediately leave the work premises and seek medical attention and applicable testing by their health care provider. Employees may not return to the workplace until cleared by a health care professional or until they are no longer experiencing symptoms for at least 10 days.
