End of Year Celebrations!

Preschool-4, Kindergarten and Fifth Grade

Covid-19 protocols for end of the year celebrations will remain consistent with the protocols we have had in place this year.

1. Everyone will wear a mask the entire duration of the celebration.
2. School capacity limits have been established by NYSDOH. For indoor celebrations, a capacity over 100 people mandates that all guests show proof of being full vaccinated or bring a negative Covid-19 test result from within 24 hours of the celebration.

We have limited the number of family members who may attend this year's celebrations to meet the 100-person guideline. Each class having a celebration is receiving communication from the classroom teacher and is being asked to RSVP with the total number of expected family members. **You will be notified if the proof of vaccine or the negative Covid-19 test is required.**

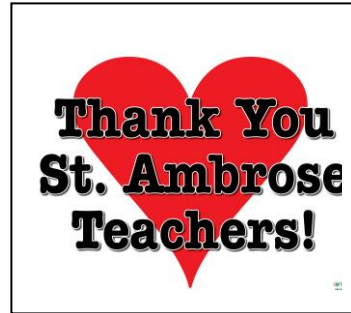

3. Please anticipate arriving 30 minutes before the start of the celebration. Each family will have an assigned table or pew in the church. Please look for your student's picture and every person from your family will sit together.
